Oreo — Your Everyday Boarding Co-Host

Less Chaos. Zero Drama. Happier Tales. · Built for Indian Home Boarders

🐾 NOW SUPPORTING DOGS & CATS

Built for Independent Home Boarders Across India (1–20+ Pets)

Whether you board dogs and cats in a Mumbai apartment, a Bengaluru villa, or a Gurugram home setup, Oreo replaces messy paper registers and midnight WhatsApp scroll-backs with a calm, mobile-first daily companion.

🎙️ Ask Oreo in Hindi or English

Hold the mic and speak naturally in Hindi or English: *"आज कितने कुत्ते और बिल्लियाँ चेक-इन कर रहे हैं?"* Get instant answers on check-ins, diet allergies, and pending balances while your hands are full with leashes.

🛡️ Vaccine & Flea/Tick Safety Hub

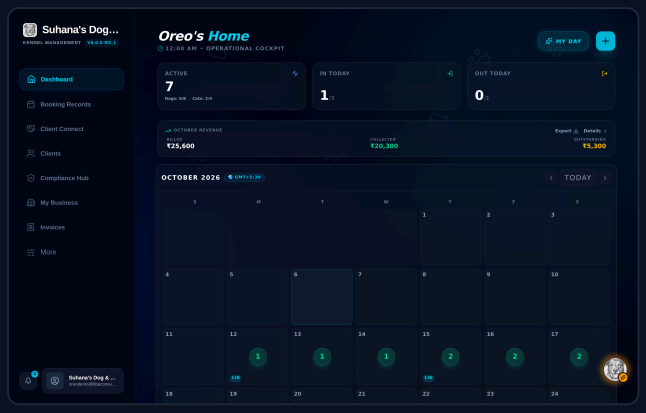

Parents upload vaccine cards via a 1-tap WhatsApp link before arrival. Oreo tracks Dog & Cat vaccines separately and warns you before a pet with expired protection steps through your door.

📅 Separate Dog & Cat Capacity

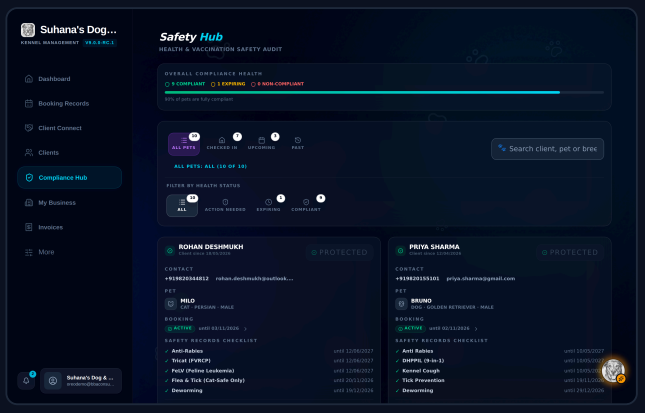

See live occupancy splits (e.g., **Dogs: 5/8 · Cats: 2/4**) on your morning cockpit so you never overbook during peak Diwali, Christmas, or summer travel rushes.

🧾 Instant INR Billing & Receipts

Automatic overnight & daycare calculations in ₹ (INR), advance payment tracking via UPI / Google Pay / PhonePe, and clean 1-click invoices parents trust.

💛 Named After Oreo · Built by Lifelong Pet Lovers (BBA)

Oreo is named in loving memory of co-founder Nousheen's rescued pup Oreo (16.5 years young, who crossed the rainbow bridge on 12/07), and started for co-founder Sherif's sister Suhana's home boarding setup in India. Built by **BBA Consulting Services, LLC** (named after Sherif's Shelties **Bindi & Bailey** and his wife **Angela**). A portion of our proceeds goes directly toward the animal welfare work our founders' families already do in India.
